

QUANTUM INTERFACE CORPORATION CATALOG

For sales to Corporations and Governments

I. QUANTUM HOLOGRAM TECHNOLOGY

Calusa Tec - Information Transmission Product Family

Communication Devices and Systems:

Form Hologram (FH) Link Devices and Systems

Quantum Hologram (QH) Communication System - A matched set of QHA that do not use “Material” to establish a communication **Link** through the **Material Cause (MC)**. This system is currently under development test.

Calusa Link 1.0 - A *device* that takes advantage of Quantum Holograms to establish a remote **Link** between living things for remote **Mind to Mind** communication. This device is similar to the QH Link *device* in the **Hippo Tec** product family.

Form Material (FM) Link Devices and Systems

Outcome Control 1.0 - A *system* that helps a corporation obtain a desired outcome. This system comes standard with User Control Program (UCP) Reader 2.0. Note: this system is similar to our Prayer Radio for individuals – except on a larger scale. Training is provided for this system during installation.

Antenna Supplement - 1.0 – A matched set of PSSD devices that provides long range, secure communication using hand held commercial radios such as the Motorola “TalkAbout”®.

Bond Earth Mars - Instantaneous (“real time”) communication systems for interplanetary travel – voice, data and audio.

Krell Tec - Mind Intent Protection Product Family

Mind Intent Shield Devices and Systems:

Babel Shield *Devices and Systems* (group Mind Intent)

EHB Shield 1.5 - A *device* that protects *devices* and *systems* from collective M1 interface Mind Intent operations.

PEAR Shield *Devices and Systems* (individual Mind Intent)

Bohr Shield 1.0 - A *device* that protects *devices* and *systems* from individual M2 Interface Mind Intent attack.

ETB Shield 1.0 - A *device* that protects *devices* and *systems* from M1 Interface Mind Intent attack.

Kiris Tec - Physical Defense and Protection Product Family

Physical Defense and Protection Devices and Systems:

Property Shield *Devices and Systems*

Criminal Shield 1.0 - A *system* designed to turn away criminals. This system uses a combination of Qi Corp *devices* to transmit various messages to the criminal mind convincing them to move to the next target.

Crime Block 1.5 - A compact easy to carry *device* designed to turn away criminals. This *device* can be used in corporate vehicles to induce criminals to pick another vehicle.

Personnel Shield *Devices and Systems*

Group Defense System 1.5 - A *system* designed to protect a group of employees from criminal assaults. This system uses a combination of Qi Corp *devices* to transmit various messages to the criminal mind convincing them to

the pick another group of victims.

Personal Defense System 1.1 – A compact version of our Group Defense *system* designed to protect individuals from criminal assault when they are traveling on company business.

Hippo Tec - Body Health and Diagnosis

Physical Health and Diagnosis Devices and Systems:

Note: the Hippo Tec product family is concerned with the Hologram part of the Human Mind-body-Hologram triad. The body however is the interface for the Hologram. Any physical health benefits are purely side affects of using these devices and systems.

Quantum Hologram Link *Devices and Systems*

Colloidal Mineral Transmitter 1.0 - A *system* that transmits the Holograms of Colloidal Minerals to the bodies of your employees to maintain their physical health. NOTE: this statement has not been evaluated by the US Food and Drug Administration.

Grow Tec - Farming and Agriculture Product Family

Farming and Agriculture Devices and Systems:

Quantum Hologram Transmission *Devices and Systems*

Burbank Signal Transmitter 2.0 - A *system* that allows strong, healthy Holograms to be transmitted to a grove or field of trees or plants to establish more desirable qualities from one plant or tree species to another species. NOTE: this has not been evaluated by the US Department of Agriculture.

Hieronymus Insect Shield 2.0 - A *system* that transmits a specific Hologram(s) to a specific pest target. Thus providing surgical precision pest removal from crops. Note: this statement has not been evaluated by the US Department of Agriculture. Also note this system is part of the Hero Tec family of products.

Mineral Transmitter 3.0 - A *system* that transmits the Holograms of Minerals to tired exhausted soil.

Sunlight transmission system 2.0 - A *system* that transmits the Sun's Hologram and Quantum Energy to trees and plants that do not have sufficient sunlight during the growing season. Note: this system is part of the Hero Tec family of products.

NOTE: the Agriculture Commander 3000 ® uses both QiT and QHT and is listed separately from this catalog.

NOTE: the following 29 Tec Product Families were originally Symbolic Tec

Alphabet Tec - Written Word Command and Control Product Family

Written Word Command and Control Devices and Systems:

Hand written User Control Program (UCP) *Devices and Systems*

UCP Reader 1.0 - A *device* that allows handwritten UCPs to control other *devices and systems*.

Campbell Tec - Diagram Command and Control Product Family

Diagram Command and Control Devices and Systems:

Hand and Computer drawn Device Circuit Diagram (DCD) *Devices and Systems*

DCD Interface 2.0 - A *system* that allows hand drawn and computer drawn and printed circuit diagrams to control *device and system* operation.

Air Tec - Weather Control Product Family

Weather Control Devices and Systems:

Anti Tornado System (ATS)

ATS 2.0 - A *system* that allows any property to be protected from Tornadoes. The user can deflect Tornadoes and even prevent Tornadoes from forming.

Hurricane Shield (HS)

HS 2.0 - A *system* that allows any property to be protected from Hurricanes. The user can deflect Hurricanes.

Rain Cloud Maker (RCM)

RCM 2.0 - A *system* that allows any user to generate rain clouds over their property.

Man Made Cloud Remover (MMCR)

MMCR 2.0 - A *system* that allows any user to remove unwanted man made cloud cover over their property.

NOTE: the Weather Commander 3000 ® uses both QiT and QHT and is listed separately from this catalog.

Office Tec - Indoor Environment Control Product Family

Office Environment Control Devices and Systems:

Loving, Friendly, Environment Field Generator (LFE)

LFE 2.2 - A *system* that allows any indoor office space to be a “happy place” to increase productivity.

Stress Reduction Field Generator (SR)

SR 1.0 - A *system* that allows any indoor office space to be “stress free”. This means that employees actually look forward to going to work each day.

Quartermaster Tec - Storage Environment Control Product Family

Storage Environment Control Devices and Systems:

Stasis Field Generator (SFG)

SFG 2.0 - A *system* that allows any matter to be preserved indefinitely – without decay or degradation.

II. QUANTUM INTERFACE TECHNOLOGY

Tesla Tec - Energy Generation and Transmission Product Family

Non Physical Energy Transformation Devices and Systems:

Quantum Energy Transformer (QETR) *Devices and Systems*

NPE Power Cell 1.0 - A very small, compact **QETR** designed to provide **Quantum Current** inside a *device* that cannot be “powered” via **FM Link** due to size limitations.

NPE Power Pack 2.4 - A small **QETR** designed to provide **Quantum Current** to *devices* within a *system* that cannot be “powered” via **FM Link** due to size limitations, where the NPE Power Cell cannot provide sufficient “onboard” **Quantum Current** per unit time. This *device* delivers **Quantum Current** to the other the other *devices* in the 'System Package' via standard *Reich Coax Cables*.

NPE Power Station 3.0 - A medium size **QETR** designed to provide **Quantum Current** to *devices* or *systems* that require more **Quantum Current** per unit time than the NPE Power Pack can deliver. This *device* delivers **Quantum Current** to the other the other *devices* and *systems* in the 'System Package' via standard *Reich Coax Cables*.

NPE Power Plant 1.1 - Large scale **QETR** designed to “power” an entire site or *system* with Quantum Current by **FM Links** or *Reich Coax Cables*. This *device* has a volume of 8 cubic feet.

Hologram Tec - Hologram Health

Hologram Health Devices and Systems:

Quantum Hologram Restoration, Cultivation and Conservation *Devices and Systems*

Quantum Hologram Recharger (QHR) 1.2 - A *device* that allows a user to recharge their Quantum Holograms by providing the necessary **Quantum Current** for their bodies. This *device* is about the same size as a standard double door refrigerator.

Quantum Hologram Recharger (QHR) 2.0 - A *device* that allows a user to recharge their Quantum Holograms by providing the necessary **Quantum Current** for their bodies. This *device* is room same size.

Portable Quantum Hologram Recharger (QHRp) 3.2 - A *device* that allows a user to **recharge** their Quantum Holograms by providing the necessary **Quantum Current** for their bodies. This *device* is about the same size as a standard double door refrigerator – except that it can be taken apart and reassembled for the person who lives in rental property.

ARV Head Cover 1.0 – A cloth “snoopy hat” (similar to the Apollo Space Suite Communications Carrier) that is a **QHR** for the head – that prevents Advanced Remote Viewing (ARV) techniques by shielding the M1 Interface of the wearer. This head cover also prevents set default operations by ETBs.

Grow Tec - Farming and Agriculture Product Family

Farming and Agriculture Devices and Systems:

Quantum Hologram Restoration *Devices and Systems*

Rejuvenator 1.0 - A single tree or plant sized **QHR** designed to provide **Quantum Energy** to tired old trees and plants so they can produce again. This *device* is designed to be installed around the tree or plant.

Rejuvenator 2.0 - A building sized **QHR** designed to provide Quantum Energy to multiple tired old trees and plants so they can produce again. This *device* is designed to be installed around a grove of trees or field plants.

Rejuvenator 3.0 - A very large scale **QHR** designed to rejuvenate tired exhausted soil. Note: this *device* works best with our Mineral Transmitter *system*.

Lakhovsky Disease Eliminator 2.0 - A *device* that allows sick trees or plants to be healed.

NOTE: the Agriculture Commander 3000 ® uses both QiT and QHT and listed separately from this catalog.

Space Tec - Propulsion and Life Support Product Family

Life Support Devices and Systems:

Quantum Hologram Restoration, Cultivation and Conservation *Devices and Systems*

Quantum Hologram *Recharger* (QHR) 1.2 - A *device* that allows a user to recharge their Quantum Holograms by providing the necessary **Quantum Current** for their bodies. This *device* is about the same size as a standard double door refrigerator.

Propulsion Devices and Systems:

Quantum Energy Transformer and Drive *Devices and Systems*

Quantum Energy Drive (QED) 1.0 - A *system of devices* that provides safe, unlimited, clean and reliable NPE powered propulsion for space vehicles.

Pawlicki Impulse Drive 2.0 - A *device* that provides reliable “infinite specific impulse” for space vehicles.
